## Report of the Council

## For the year ended 31 December 2011

The Council of Management presents its report and the audited financial statements for the year ended 31 December 2011.

Reference and administrative information set out on page 1 forms part of this report. The financial statements comply with current statutory requirements, the memorandum and articles of association and the Statement of Recommended Practice - Accounting and Reporting by Charities (revised March 2005).

## Structure, governance and management

Minority Rights Group (MRG) is a charitable company limited by guarantee and its governing document is its articles of association.

The governing body of MRG is an international Council. This was chaired by Mukesh Kapila and has 12 members. Membership of the Council is kept broadly balanced and includes members from different world regions and members of minority communities. Because of MRG's broad constituency and global remit, Council members do not represent any one particular community but rather ensure that MRG addresses minority rights needs and issues globally. Members of the charity guarantee to contribute an amount not exceeding £10 to the assets of the charity in the event of winding up. The total number of such guarantees at 31 December 2011 was 12 (2010 - 12). Members of the Council are members of the charity but this entitles them only to voting rights.

One third of Council members retire in rotation each year (but can be re-elected). Council members serve a maximum of 6 consecutive years (or 8 in the case of officers). As Council members step down, new Council members are identified who have particular skills, or who could bring relevant experience and expertise to the charity. New Council members are encouraged to visit MRG's offices for briefings with staff as part of the induction process. They are provided with relevant documents and access to information about the governance and the work of the charity.

The Council decides the organisational budget, approves the accounts, appoints the auditors and sets the strategic direction for MRG. All major new programme proposals are reviewed and agreed by the Council before they are implemented. The Council has established a sub-committee (the Finance and General Purposes Committee) which usually meets three times each year to ensure proper oversight of MRG's financial processes and procedures. The sub-committee also considers personnel, risk management and property issues.

Day to day management of the Charity is carried out by a Management Team of 5 senior staff led by the Executive Director who reports to the Council. MRG has two offices in Hungary and Uganda and cooperates with a number of like-minded charities to achieve common goals.

The Council and the Finance and General Purposes Committee regularly assess the risks to which the organisation is exposed. The Council has assessed the major risks that could affect MRG and is satisfied that systems are in place to mitigate exposure to these risks.

## Objectives, activities and achievements

MRG's objects are to educate the public, prevent and relieve poverty, promote human rights, and promote conflict resolution and reconciliation, with particular reference to the problems of minority groups around the world. MRG's assessment of the problems of minority groups worldwide has led it to focus on the following specific objectives.

## Report of the Council

# For the year ended 31 December 2011

MRG's aims are to secure the rights of minorities and indigenous peoples and to promote cooperation and understanding between communities. 2011 was the third year of a four-year strategic period spanning 2009-2012. For this period, MRG has had the following six objectives:

- Strengthening the Voices of Minority and Indigenous Organisations. This was achieved through a variety of training programmes designed to give minority activists the skills and confidence to carry out advocacy and promote the human rights of their communities. Training events took place in Africa, Asia and Eastern Europe. After training events, MRG also supports partner organisations to prepare and run advocacy projects and this work was going on during 2011 across Africa, Eastern Europe and Asia as well as in Iraq. Participants reported great benefits and many went on to design and run advocacy programmes on behalf of their communities using the skills that they had learnt.
- 2. Reducing Poverty and Ending Discrimination. This strand of our work has a particular focus on equality in education and land rights. Campaigns run by MRG and by partners, when successful, result in long-term changes to bring national-level policies, laws and practices in line with universal human rights standards. In 2011 we contributed to campaigns that achieved or worked towards better recognition of the rights of minorities in a number of countries in Africa and Asia.
- 3. Changing Discriminatory Attitudes. We continued work on a programme using Street Theatre to Challenge Racism which began work in Botswana, Dominican Republic, Kenya and Rwanda.
- 4. Promoting Minority and Indigenous Participation. We worked with partners to secure better participation rights for minority and indigenous peoples in East Africa and the Great Lakes as well as Bosnia, Botswana, and Sri Lanka.
- 5. Preventing Conflict and Mass Atrocities. This year we have continued to work in East Africa with communities on how to manage tensions over scarce resources that can lead to conflict between communities. Our conflict prevention work has also continued in Iraq, Sri Lanka and Somalia.
- 6. Strengthening international systems for minority protection. We continued to work closely with the Human Rights mechanisms of the UN, in particular we supported over a dozen participants to attend the UN Forum on Minority Issues. We supported partners to submit shadow reports or other materials to UN reporting mechanisms. We also continued our work with UN agencies, African regional mechanisms and the OSCE.

## Public benefit

The Council has referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the charity's aims and objectives and in planning its future activities. In particular the Council considers how planned activities will contribute to the aims and objectives they have set.

## Plans for future periods

2012 will be the final year of our current four-year strategic period which runs from 2009 to 2012. During the year we plan to continue with many of the above activities in pursuit of our strategic objectives. In addition, we hope to expand our work to address pressing problems of minority rights violations in the Middle East, and to undertake a Strategic Review of our objectives and activities.

## Report of the Council

For the year ended 31 December 2011

#### Financial review

During the year under review, Minority Rights Group achieved an income of £3.0m, an increase of 13% on income achieved in the previous year (2010). Significant and continuing financial support was received from Baring Foundation, Cordaid, Matrix Chambers, the Eva Reckitt Charitable Trust, John Ellerman Foundation, the Lee Foundation, the Pilkington Charitable Trust, Kevin Boyle's legacy, the Sigrid Rausing Trust, the Governments of Finland, Ireland, the Netherlands, Norway, Sweden, Switzerland, and the United Kingdom; the Council of Europe, the UN High Commissioner for Human Rights, and the European Commission. These grants are greatly appreciated by the charity.

The charity's overall expenditure in 2011 amounted to £3.2m an increase of 4% on the previous year. After unrestricted income relating to 2010 activities was transferred from general to designated funds, the operating deficit for the year on the general fund was £39k. This increased to £54k after adjusting for exceptional items mainly the loss on investment.

## Reserves policy

The Council considers that there are sufficient reserves held at the year end to avoid an unacceptable level of disruption to the organisation in the event of a downturn in future income, and there is a reasonable expectation that the charity has adequate resources to continue in operation for the foreseeable future.

In order to ensure continuity of operations in case of temporary loss of funding and provide an adequate buffer to cushion the effect of temporary cash flow difficulties, MRG aims to establish a level of unrestricted reserves sufficient to cover essential core running costs for 6 months.

For the year 2012, the level of reserve required is £403,641. The general reserves level of £392,410 at the year end is therefore marginally less than this amount.

## Investment policy and performance

For the level of investment and surplus funds available to the charity, it aims to secure the maximum return possible for minimal risk and a suitable degree of liquidity. In line with this policy, the charity sold part of its investment realising a loss of £13,410. The unrealised loss on the remaining part was £1,618. All the proceeds from the sale were reinvested. The value of the charity's investment portfolio stood at £183,004 at the year end.

## Grant making policy

MRG does not generally make grants to other organisations, but funds are provided to partners for production of reports, translations, and other follow-up activities arising from training events and workshops. The disbursement of these funds is governed by contracts that specify the work to be carried out by the partner, their reporting requirements, deadlines for completion of work, and the disbursement schedule for tranches of funds. MRG also provides small capital grants for partners for IT equipment as a component of some of its programmes. For these grants, partners must provide a motivation for the use of the equipment, and copies of purchase invoices to verify that funds have been utilised for the intended purpose.

## Report of the Council

## For the year ended 31 December 2011

## Movement in funds

Please refer to note 12 of the accounts for a detailed analysis of the movement in funds.

## Statement of the Council of Management's responsibilities

The Council (who are also directors of Minority Rights Group for the purposes of company law) are responsible for preparing the Council's report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the Council to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing these financial statements, the Council is required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in operation.

The Council is responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

In so far as the Council is aware:

- there is no relevant audit information of which the charitable company's auditors are unaware; and
- the Council has taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditors are aware of that information.

The Council is responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

## Independent auditors' report

#### To the members of

## Minority Rights Group

We have audited the financial statements of Minority Rights Group for the year ended 31 December 2011 which comprise the statement of financial activities, balance sheet and the related notes. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the charitable company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charitable company's members those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and the charitable company's members, as a body, for our audit work, for this report, or for the opinions we have formed.

## Respective responsibilities of trustees and auditors

As explained more fully in the Statement of the Council of Management's responsibilities set out in the report of the Council, the Council (who are also the directors of the charitable company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view.

Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

## Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the charitable company's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the trustees; and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the report of the Council to identify material inconsistencies with the audited financial statements. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

## Opinion on financial statements

In our opinion the financial statements;

- give a true and fair view of the state of the charitable company's affairs as at 31 December 2011 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

## Opinion on other matter prescribed by the Companies Act 2006

In our opinion the information given in the report of the Council for the financial year for which the financial statements are prepared is consistent with the financial statements.

## Independent auditors' report

## To the members of

## Minority Rights Group

# Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

# Notes to the financial statements

# For the year ended 31 December 2011

## 1. Accounting policies

- a) The financial statements have been prepared under the historical cost convention as modified by the inclusion of investments at market value, and in accordance with applicable accounting standards and the Companies Act 2006. They follow the recommendations in the Statement of Recommended Practice, Accounting and Reporting by Charities (issued in March 2005).
- b) Voluntary income is received by way of donations and gifts and is included in full in the statement of financial activities when receivable. Intangible income is recognised as an incoming resource where the provider of the service has incurred a financial cost. Volunteer time is not included in the financial statements.
- c) Grants are recognised in full in the statement of financial activities in the year in which they are received or receivable whichever is earlier. Grants paid in arrears are deemed to be receivable when the related expenditure has been incurred. Grants received in advance for a specific future accounting period are deferred until such time as they are allowed to be expended.
- d) Income received from overseas is translated at the sterling amount on the day of receipt. Costs incurred overseas are translated into sterling at the average rate of exchange for the month. Foreign funds held are translated into sterling at the rates of exchange ruling at the balance sheet date. Exchange differences are taken into account in arriving at the net incoming resources for the year.
- e) Interest and dividends are recognised when receivable.
- f) Subscriptions are included in income in the year in which they fall due.
- g) Resources expended are recognised in the period in which they are incurred. Resources expended include attributable VAT which cannot be recovered.
- h) Resources expended are allocated to the particular activity where the cost relates directly to that activity. However, the cost of overall direction and administration of each activity, comprising the salary and overhead costs of the central function, is apportioned on the basis of actual staff time attributable to each activity.

Amounts transferred to partners for project activities are treated as advances and only charged to project cost when proper returns are received.

Governance costs include the management of the charitable company's assets, organisational management and compliance with constitutional and statutory requirements.

- i) Advocacy and Project support costs comprise costs incurred in supporting advocacy and project activities which are not covered by specific restricted fund grants.
  - Other support costs comprise costs incurred in running the charity, which cannot be directly allocated to the charity's projects or fundraising.
- j) The costs of generating funds relate to the costs incurred by the charitable company in raising funds for the charitable work.

## Notes to the financial statements

## For the year ended 31 December 2011

## 1. Accounting policies (continued)

- k) Restricted funds are to be used for specific purposes as laid down by the donor. Expenditure which meets these criteria is charged to the fund together with a fair allocation of management and support costs.
- I) Unrestricted funds are donations and other incoming resources receivable or generated for the objects of the charity.
- m) Designated funds are unrestricted funds earmarked by the Council of Management for particular purposes.
- n) Transfers are made from unrestricted and designated funds to restricted funds to cover shortfalls in project funding.
- o) Depreciation is calculated so as to write off the cost of fixed assets on a straight line basis over their estimated useful lives as follows:

Furniture and equipment Fixtures, fittings, plant and machinery

3 years duration of lease for office premises

Items of equipment are capitalised where the purchase price exceeds £250. Depreciation costs are allocated to activities on the basis of the use of the related assets in those activities. Assets are reviewed for impairment if circumstances indicate their carrying value may exceed their net realisable value and value in use.

- p) Investments held as fixed assets are revalued at mid-market value at the balance sheet date. The gain or loss for the period is taken to the statement of financial activities.
- q) Rentals payable under operating leases, where substantially all the risks and rewards of ownership remain with the lessor, are charged to the statement of financial activities in the year in which they fall due.
- r) The charity operates a defined contribution pension scheme. The assets of the scheme are held separately from those of the charity in an independently administered fund. The pension cost charge represents contributions payable under the scheme by the charity to the fund. The charity has no liability under the scheme other than for the payment of those contributions.
- s) The results of the Hungarian and Ugandan offices have been consolidated into the accounts on a line by line basis.
- t) Rentals payable under operating leases, where substantially all the risks and rewards of ownership remain with the lessor, are charged to the Statement of Financial Activities on a straight line basis over the minimum lease term.

## Notes to the financial statements

## For the year ended 31 December 2011

## 12. Movements in funds (continued)

## Purposes of restricted funds

## **AFRICA & MIDDLE EAST REGION**

To build the capacity of selected minority and indigenous communities to undertake effective advocacy to challenge discrimination, reduce abuses of human rights and improve living standards.

## **ASIA & PACIFIC REGION**

To build the capacity of selected minority and indigenous communities to undertake effective advocacy to challenge discrimination, reduce abuses of human rights and improve living standards.

#### **EUROPE / CIS REGION**

To build the capacity of minority communities in selected states to undertake effective advocacy to challenge discrimination, and improve living standards. To contribute to processes designed to reduce inter-community tensions.

#### **MINORITY & CONFLICT PREVENTION**

To promote the constructive accommodation of the concerns of minorities and indigenous peoples within initiatives to prevent violent conflict, among governments, inter-governmental organizations, development agencies, NGOs and majority and minority/indigenous communities.

## STRATEGIC COMMUNICATIONS

To provide comprehensive and up-to-date information on the situation of minorities and indigenous peoples worldwide to the global media and international policy-makers, including development agencies and officials responsible for early warning and early action on situations of mass human rights abuses.

#### INTERNATIONAL ADVOCACY

To build the capacity of selected minority and indigenous communities worldwide to participate effectively in international fora and international legal processes to represent the needs of their communities and pressure states to make policy changes that result in improvements in the day-to-day life for minorities.

## Purposes of designated funds

£150,000 was received from the Sigrid Rausing Trust in 2011 to support core costs for a twelve month period. £75,000 of the grant is carried forward as a designated fund. It will be utilised in the first six months of 2012 to support core costs.

£100,007 was received from CordAid in 2011 for project funding while £84,400 was brought forward from 2010 as designated funds. £174,440 of the total was allocated to restricted projects in Africa and Asia while the remaining £9,967 was spent on general projects.

# Notes to the financial statements

# For the year ended 31 December 2011

## 13. Operating lease commitments

The charity had annual commitments at the year end under operating leases expiring as follows:

	Prop	Property		Equipment	
	2011	2010	2011	2010	
	£	£	£	£	
1 - 2 years	<u>.</u>	_		~	
2 - 5 years	143,950	143,950	6,111	12,221	
	143,950	143,950	6,111	12,221	

## 14. Foreign exchange

Restricted fund balances held in foreign currencies at year end have been translated to UK Sterling at the exchange rate on 31 December 2011 in line with financial reporting standards. However, these funds remain in foreign currency bank accounts. The EC, one of Minority Rights Group's funders, require conversions between currencies in particular ways stipulated in contract which may result in exchange differences between the GBP value of the fund balances in Note 12 and the actual value when these balances are spent or converted.
